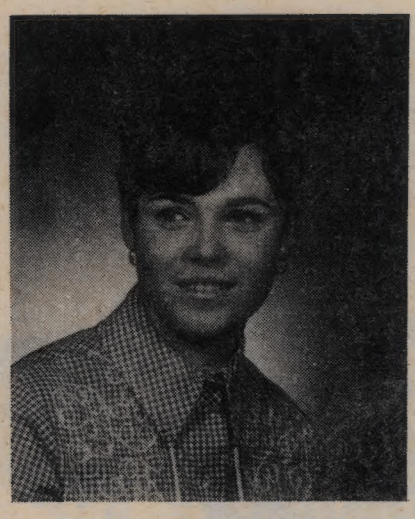
Queen Candidates Start Rodeo Activities

CINDY VOWK
Elks Candidate



SANDRA GUZE
Lions Candidate

LAURA LEAKE
Rotary Candidate

TERRY CABLE
Legion Candidate

The four young ladies shown above will be taking an active part in the Evergreen Rodeo to be held in Drayton Valley August 15th and 16th. They are the Rodeo Queen contestants and are already busy selling tickets that will play a part in the eventual selection of one of them to rule as Queen for the two big rodeo days. Also busy are the many Committees involved in preparing for the rodeo which is expected to be a highlight in the year's entertainment. The rodeo will be a joint undertaking of Lions, Legion, Elks and Rotary.

Students Adopt Orphans

These four baby robins, found in a nest in a backhoe when it arrived in Drayton Valley from Slave Lake, were adopted by Mrs. Brown's class in the Elementary School. Boys and girls in the class have been busy scurrying up worms and other tidbits for the orphans. Doug Fertig demonstrates the feeding method for the photographer while his roommates look on.

4-H Beef Clubs Plan Achievement Day

Four district 4-H Beef Clubs will take part in the annual achievement day and sale to be held at Sekura Auctions on Friday, July 4th.

The Tomahawk, Lobstick, Moon Lake and Drayton Valley clubs will participate in single and inter-club competitions that will get underway at 9:15 a.m. with opening remarks by MC Earl Lowe, District Agriculturist.

About 80 calves will be shown and sold by public auction later in the afternoon.

Showmanship judge will be Ken Eshpeter of the Department of Youth; Livestock judge, Doug Henderson of Lacombe; Lucas Piskunowicz of Tomahawk will be ringmaster.

Also taking part in the program, sponsored annually by the Drayton Valley and District Chamber of Commerce, will be Mayor Henry Shimbashi and Chamber President Bob Cowan.

Inter-club competition will follow the individual club achievement competitions, and will start at about 11:00 a.m.

Trophies and prizes for inter-club events will be awarded as follows:

Showmanship -- (2 best showmen from each club) Rusty Jorgenson - U.F.A. Co-op trophy.

Best Calf by First Year Member -- Sekura Auctions trophy.

"Group of 4" Calves -- (four uniform calves from each club) Drayton Valley I.G.A. Store trophies.

Grand Champion Class -- champion and reserve champion calves from each club. Grand Champion -- Big Country Machinery Ltd. trophy. Reserve Grand Champion -- Hudson's Bay Company trophy.

Pen of Three -- A feeding project for senior members, Milt McMahon -- Imperial Esso trophy.

Best Rate of Gain -- ($5 to owner of top gaining calf in each club) - West Alta. Livestock Breeders' Association.

Calgary Power Hydro Plant Appointments

In April, C.D. Hawkins assumed the duties of Thermal Superintendent, covering both the Wabamun and Sundance plants of Calgary Power Ltd. At the same time, W.B. Bird became assistant Thermal Superintendent.

These new duties are in addition to their present responsibilities as Superintendent and Assistant Superintendent at the Wabamun Plant.

With the completion of the first unit at Sundance in 1971, the two men will supervise a total thermal capability of 855,000 kilowatts. This is about three times the combined hydro and thermal capacity of the Calgary Power system in 1956.

Holiday Tuesday

Town and area residents are reminded to stock up this weekend for the holiday July 1st.

Drayton Valley business places will be closed Monday and Tuesday, June 30th and July 1st. Monday is the regular closing day and July 1st is the Dominion Day holiday.

Community Pasture Improvement Planned

Three existing HRDA-ARDA community pastures will be further developed with a $423,640 supplementary grant. The shared expenditure will be divided among the Buck Mountain, Rannach, and Whitemud Grazing Reserves.

Hon. F.C. Colborne, Chairman of the Human Resources Development Authority, and Hon. Dean Marchand, Federal Minister of Regional Economic Expansion, announced approval of the expanded project. The Provincial share will be $234,920.00; the Federal share will be $188,720.

The additional expenditure on the three Alberta grazing reserves will cover the 1969-70 period. The project, which is presently being implemented, converts submarginal crop land and wooded areas to improved pastures of tame grasses.

The Lands Branch of the Alberta Department of Lands and Forests is responsible for carrying out the land purchase, land clearance and pasture development.

The aim of the project is to substantially increase income and employment for farmers in the Rural Development Area.

The Buck Mountain Grazing Reserve is a 16,982 acre area adjacent to Buck Lake. The pasture was opened in 1964 when the aspen forest was cleared and seeded to grass.

During the 1967 season, 44 local farmers took advantage of the grazing privilege to increase the scale and efficiency of the beef production unit on their farms.

The Buck Mountain project involves clearing, breaking and seeding about 2,000 acres a year to improve the grazing capacity of the pasture. This will strengthen the economy of the whole area.

The best way to get a seat to yourself on the bus is to eat two onion-on-rye sandwiches before boarding.

Hospitalization To be Discussed At F.U.A. Meeting

Members of the Drayton Valley F.U.A. Local are reminded of an important meeting to be held in the Town Council Chambers at 8:00 p.m. on Thursday, June 26th.

Blue Cross Group Insurance, which offers considerable savings to members, will be the major item on the agenda.

Executive of the local requests a good attendance of members to discuss this important matter. Sixty percent of the Local membership must join the group to take advantage of group rates.

Restrictions Still in Effect

Water restrictions, put into effect last week following a severe water shortage, are still in force with modifications.

The hours of lawn and garden watering have now been removed but the town division is still effective. Residents north of 50th Avenue may water on Mondays, Wednesdays and Fridays and those on the south on Tuesdays, Thursdays and Saturdays. All householders may water on Sundays.

2014.18.130

BERRYMOOR NEWS

Mrs. Helen Anderson has returned home from her trip to B.C. She has been spending a few days lately with her daughter, Mrs. Linda Van Ember.

Sincere sympathy is extended to Mrs. George Martin on the sudden death of her sister, Mrs. Jennie Minshull of Olymphia, Washington. Mrs. Martin, accompanied by her son Gilbert and his family, motored to the U.S. to attend the funeral.

The Farmers' Day picnic held at the Lindale Hall on June 13th was a great success. Ball games, races, gymkhana events were all very much enjoyed. A dance in the evening rounded out the day's activities.

Ruth Berry has returned home after having a long stay in an Edmonton hospital. It is a real pleasure to see her up and around again.

Charlie Martin was home for a few days from his job near Calgary. While he was home he and his mother and dad and brother Fred, went to Ryley to visit with Mr. and Mrs. Gordon Tryon and family. Charlie is the proud owner of a new car now.

John Davis has returned to his job with Commonwealth Drilling Co. near Manning, Alberta.

The evening of June 20th was the date of a big event in the lives of the grade 8 class at Lindale. They were treated to a graduation ceremony in honor of their having completed their years at the Lindale School. Following the ceremonies and supper a dance was held in the gymnasium. Awards to the top students in grades 7 and 8 classes were also given out during the evening. Congratulations to Miss Karen Laughlin, Miss Linda Pishke and Miss Nancy Bijou who won first, second and third respectively for grade 7. And also, to Miss Lee-ann Johnston, Allan Goddard and Miss Elaine Hankins who were the grade 8 winners. A special bouquet to Allan Goddard who won the bus drivers award for being the best students and also the best behaved individual of the entire school. Congratulations Allan.

On June 20th, about 90 students from the Breton High School accompanied by a number of their teachers, went to Pigeon Lake by bus for their annual end of school picnic.

The Berrymoor Three B's Club held their June meeting at the cemetery on June 21st. Weeding and grass cutting was done at the cemetery and the community centre building was scrubbed and cleaned up. The next meeting will be held at the cemetery again on the last Saturday of July.

Mr. and Mrs. Walter Joneson of Edmonton have sold their farm home. They have spent the last few weekends building a cabin on Donald Martin's place. From now on they plan on spending their weekends there. Their many friends in this area will be happy to know that they will still be seeing them from time to time.

Fred Martin, Donna Haight and Randy Robb motored to Stettler on Saturday to take part in a track meet sponsored by the Canadian Legion. These young people had qualified to take part in this event by winning first in various events at a track meet held in Drayton Valley earlier in the year. Fred and Randy did not win at Stettler but Donna won first in the javelin throw. Congratulations Donna.

The local married womens' softball team played the Buck Creek team at Buck Creek on Saturday evening. The Buck Creek ladies were victorious but our girls are hoping to even the score in a return game at Lindale on June 25th.

A customer had complained about the pastry. "I was making pastry before you were born," replied the indignant cook.

"Maybe," replied the customer, "but why sell it now?"

Youngsters turned out in large numbers for the Lions Carnival held on the Bay parking lot last weekend. The photo shows some of the crowd Saturday afternoon.

Portable Pools to Aid Red Cross Program

A pilot project in water safety pioneered by the Red Cross in Western Canada may establish new methods of teaching water safety to smaller communities throughout Canada.

The use of portable, movable pools exposes increasing numbers of young people to economical water safety instruction. The use of these aquatic training facilities have been effective in areas which have known high water accident fatality rates.

EDITORIAL COMMENT

Man In the Balance of Nature

People, hopefully, are beginning to become disturbed about pollution of air and water. We have reached a critical point in human habitation of the earth and man now faces the possibility of going the way of the dodo and the dinosaur unless sweeping changes are soon undertaken.

We might think our part in pollution is very small. But each of us who helps in any way to contaminate a stream or lake is playing a part in increasing the problem. A beginning to the solution could come from people scattered across the country who refuse to add to the problem; criticize others for their neglect; and generally begin making their voices heard. Legislation won't work an overnight cure.

Nature has been at work for millions of years getting things the way they are. Man appears determined to wreck the system with meddling and the situation is now becoming so grave that everyone, legislator or man on the street, should be very concerned and making his fears known.

If you don't believe the situation has now reached a critical point, just think about these few examples of man's contribution to his own demise:

* Tests during a period of low water in one mid-western U.S. city showed the water supply being used by residents to be one-half straight sewage.
* The World Health Organization reports that about five million children die every year from intestinal diseases caused by impure water.
* The death of 4,000 people was attributed to London's smog in 1952.
* Rivers loaded with the poisons from city sewers, industry and farm chemicals, are dying. Once the mass of pollution exceeds a tolerable level animal and vegetable life disappears.
* Lakes, too, are dying. The stretch of inshore water in lake Erie within five miles of the shore line is so polluted that even boiling or chlorination will not remove the contamination.

We are fortunately in an area where water and air are still reasonably clean. We should make certain that they stay that way.

Enjoy a Safe Dominion Day

Dominion Day, the first holiday of the vacation season, will unfortunately, be the last holiday for a large number of Canadians. They will be the accident statistics reported in the next day's news.

A high percentage of accidents and carnage is caused by carelessness. The driver who lacks consideration for others on the highway; the boat owner who persists in foolish water stunts; and the swimmer who ventures beyond his depth or swims in unsafe waters: these are the people whose thoughtless acts frequently result in death for themselves and others.

If you plan to join the thousands of Canadians on the highways, bumper to bumper, in the annual exodus to lakes and resorts, make sure that your holiday is a safe one.

There's an old proverb, "An ounce of prevention is worth a pound of cure." Keep it in mind and by observing the rules of the road and practising water safety make sure you enjoy a safe holiday and summer vacation.

'IT BECOMES OUR BEST SELLER JUST AFTER THE SCHOOL TERM'

KEEPHILLS NEWS

Several bears have been seen in the district. One is reported to have come into the yard and ate the cat's supper.

We're sorry to hear that Mrs. Doris MacDougall of Burtonsville spent some time in the hospital.

Mr. and Mrs. John Stafford of Wabamun visited with Charlie and Alma White on Monday evening.

Viola Porter left on Sunday for Jasper where she plans to work for the next three months.

At a parent teacher meeting at the school on June 17th, Sharon Melnichuk of Highvale gave an outline on sports equipment needed for the summer.

Several of the school children visited Mrs. Raymond during last week to ask questions on the early days.

You don't have to be old to apply for your old age security pension.

Just 65.

Starting in January, 1970, the Old Age Security pension is payable one year earlier . . . at age 65.

If you are 65 or will be 65 before January, 1970, you should apply now. You will then receive your first payment in January. If you will be 65 in 1970, you should apply six months before your 65th birthday.

An application form for your Old Age Security pension is available at your local Post Office, or you can write to the Regional Director of Old Age Security in your Provincial capital. Along with your application form you will receive a pamphlet giving you full information about the Old Age Security Pension program.

Guaranteed income supplement

As soon as your Old Age Security pension is approved, we'll send you information about the Guaranteed Income Supplement and an application form. You may be entitled to a supplement which, together with your Old Age Security pension, will guarantee you a monthly income of at least $109.20.

ISSUED BY
THE DEPARTMENT OF NATIONAL HEALTH AND WELFARE
THE HON. JOHN MUNRO, MINISTER

Four generations of the Harris family are shown in this photo taken during a family gathering in Drayton Valley Sunday. From left to right are Ben Harris, 91, of Kelowna, his son, Howard Harris also of Kelowna, his grandson Gene Harris of Drayton Valley, and great-grandson, Boyd. Mr. Harris senior is an Alberta oldtimer having homesteaded in 1912 in the Caroline district.

TOMAHAWK NEWS

The Tomahawk and District Club is calling for sealed tenders for caretaker of the community hall. These may be sent to Mrs. Carol Namchuk before July 10th. They would also like to thank all those who donated and came to the white elephant sale.

Plans are in full swing for the July 1st picnic. At the annual meeting, the parade usually held was voted down. However, the club is putting extra effort into providing a wider variety of entertainment. There will be baseball starting at 10 o'clock and running through all day, bingo, horseshoes, races of all kinds, a special fish pond for the kiddies, dart games and a skill testing contest for women. A children's swimming pool will be raffled off the same day, plus a bean guessing contest. All in all, the club will offer a well rounded day for every member of the family.

There will be no dance on July 1st, but on Friday, July 4th, there will be a semi-social and dance starting at 9 p.m. The Pembina Ramblers will be playing. Tickets can be obtained from any board member and are $1.50 per person.

Best wishes for a speedy recovery from his many friends, are extended to Joe Jouan of Jouan Electric, who is in Edmonton undergoing surgery. Keep your chin up Joe, we're all pulling for you.

We'd like to welcome to our district, Mr. and Mrs. Bob Boumes, who are now the new owners of the Tomahawk Garage, originally owned by Gene Shaw. They are residing at Dick Koyko's farm house and I'm sure everyone in the district is very glad to have them join our community.

Congratulations to the following proud parents who I am told, got exactly what they ordered. Mr. and Mrs. Larry Schlichenmayer, a girl named Shawna Dawn, on June 11th; Mr. and Mrs. Herbert Zander, a boy named Darren Herbert William on June 17th; Mr. and Mrs. Joe Leskie, a boy (after 4 girls), named Kelvin Joseph, on June 18th. Mothers and babies are doing fine, but the fathers are still up in the clouds.

Miss Bernice Martin will be feted at a shower on June 28th at the home of Mrs. Horace Pryor. This is an open shower and everyone is welcome. Time 8:00 p.m.

Sports are sailing along in fine style with games every night. A highlight of the past week was that after three defeats in three games, the Tomahawk married ladies team came up with their first win against Drayton Valley, the score was 23 - 11.

Weed Inspectors Now Able To Enforce Hauling Legislation

Truck operators in Alberta will no longer be able to get away with hauling grain or screenings in an uncovered truck box.

Earlier this spring provincial minister of agriculture the Hon. Henry A. Ruste appointed weed inspectors from the inspection service branch of the attorney general's department to enforce the section of the Noxious Weeds Act dealing with the transportation and loads of grain and forage seeds containing noxious weed seeds.

This section of the Noxious Weeds Act states that weed seeds, screenings and grain containing noxious weed seeds must be transported in seed-tight containers. This means that the truck or any other vehicle used for hauling must be grain tight and covered with a tarpaulin.

Until this year municipal fieldmen and weed inspectors were solely responsible for enforcing this and other section of the Noxious Weeds Act. However, they did not have the equipment or the authority to stop vehicles travelling on public roads and highways. The weed inspectors appointed from the attorney general's department have both the equipment and authority to apprehend truckers hauling an uncovered load of grain or screenings. Anybody who is apprehended for this reason is liable for prosecution.

The new weed inspectors also have the authority to stop harvesting equipment operators travelling on public roads if their machinery has not been properly cleaned. A swather, combine, or any other vehicle used for harvesting, must have had all trash and weed seeds removed before being taken on to a road.

The stiffer enforcement of the section of the Noxious Weeds Act dealing with the transporation of grain and screenings was brought about by the increasing number of complaints received by municipal fieldmen and weed inspectors. The advent of seed cleaning plants has greatly increased the volume of grain and screenings moved to and from farms. In spite of the Noxious Weeds Act some truckers are still hauling such loads in uncovered truck boxes thereby contributing to the spread of weeds along roadsides and in adjacent farms.

Apart from the fact that a tarpaulin eliminates a serious source of weed infestation, it also prevents grain losses.

COUNTY OF PARKLAND NO. 31

FOR SALE BY TENDER

KEEPHILLS SCHOOL DISTRICT NO. 2037

The School Committee of the County of Parkland is offering for sale by tender the small teacherage situated on the Keephills School site, just north and east of the school.

The purchaser must pay for and move the building from the site, within 60 days of acceptance of the offer.

Please submit your tenders in writing to the County Office in Stony Plain not later than 5:00 P.M. on Monday, July 14, 1969. A deposit in the form of a certified cheque or money order for 10% of the purchase price must accompany all tenders. All deposits to unsuccessful tenderers will be refunded on or before July 24, 1969.

The highest or any tender not necessarily accepted. By order of the School Committee of the County of Parkland No. 31.

A. W. Boychuk,
Assistant Secretary-Treasurer,
County of Parkland No. 31,
Stony Plain, Alberta

Mrs. Maxfield F.W.U.A. Speaker

The Tomahawk F.W.U.A. held its regular monthly meeting at the home of Mrs. Cathy Smith on June 12th.

There were 13 members and 4 guests present, the regular agenda was quite short as the Sub-district director for the F.W.U.A. Mrs. Kathleen Maxfield was a special guest.

She gave a most interesting talk on how the F.W.U.A. was organized back in 1916. The F.W.U.A. has done a great deal in the fields of Health and Education for rural young people.

She explained how the F.W.U.A. has helped farm women gain some rights. Many had never heard of some of these rights and were quite enthused.

The July meeting will be held at the home of Mary Piskunowicz on July 3rd. All members are urged to attend as this will be the last meeting until October.

YOUR DENTAL HEALTH

Today, fourth final article in this series on dental health. We shall mention some very important points to remember.

1. Neglect of dental problems will only lead to higher total costs and discomfort in the end. Regular dental check-ups will keep the natural teeth in good health.
2. "Baby Teeth" need the same care as adult teeth. Allowing primary teeth to decay and fall out easily may lead to crooked permanent teeth.
3. People over 25 years have to watch out for gum disease. Regular dental check-ups and teeth cleaning can prevent dangerous gum conditions.
4. Fluoridation of the water supply, painting the teeth with fluorides and brushing with fluoride toothpastes certainly helps to lower the number of cavities. Many people who have only fluoridated water all their lives never have even one cavity.
5. A child up to six years of age needs his parents help to properly brush his teeth. All sugars and acid-producing germs must be removed.
6. To protect the teeth while a person is playing sports, an inexpensive mouth guard can be worn. Wearing seat belts in the car can prevent the smashing of teeth against the dash-board when stopping suddenly.
7. Toothaches are not a "normal" thing. Many people nowadays who have regular dental checkups keep their own natural teeth for a lifetime without even having and replacing full dentures. And more comfortable too.

It pays to care for your natural teeth for a lifetime.

OUR ROBINS

By MARIE SWANLUND

Our classroom adopted four baby robins on Monday, June 16th. One bird was weaker than the others.

A man named Mr. Dean brought the birds. He said they didn't have a mother. The robins were found in a ditch digger bucket. Mr. Dean was checking the bucket and found the nest in it. The ditch digger was moved from Slave Lake to Drayton Valley.

Mrs. Brown brought chopped eggs for the birds to eat. The weak one didn't open his mouth very much.

Over the weekend she also brought them home and let them loose in the garage to fly around.

Now they are just about big enough to be let loose except that they can't pick worms up off the ground. Mrs. Brown is trying to teach them to.

The four robins are going to be let loose at the Entwistle Park. The warden is going to keep an eye on them so they won't get away. I'm going to miss them chirping and being fed in the room.

One out of every five members of the present-day "air element" of the Canadian Armed Forces is a former Air Cadet.

Parkland Summer Notebook

SWIMMING

Our summer swimming program is taking shape, with only final details left to be worked out. It has been supported enthusiastically throughout the region, and it appears that about 800 children will take advantage of the lessons. Registering all these children was a big job, and we would like to thank everyone in the communities for their help.

There will be two sets of lessons this summer -- one in July and another in August. We have rented the pools in O'Leary, Devon and Drayton Valley, and we hope to install a portable pool in the Entwistle - Seba Beach area. Children will be bused to these pools.

Besides the regular Red Cross lessons we may offer some special programs, depending on the interest. Some possibilities are courses in survival swimming, adult swimming, mom and tot swimming, canoeing and boating, water skiing and hunting and fishing safety. Anyone interested may try for the Alberta Safety Council Mile Swim Award. For those who are Senior swimmers in the Red Cross program, possibilities are Bronze Medallion lifesaving and Red Cross Water Safety Leader or Instructor courses.

However, before any of these special programs may be offered, there must be sufficient interest shown. Anyone who is interested in any of these programs, or has any other ideas or suggestions, should contact Ron Lowe at the Parkland Regional Recreation Office in Stony Plain. You can phone 777-2211 or write Box 178, Stony Plain. We must have some indication of interest before we go ahead with any definite plans.

The playground and daycamp programs are all ready to go. These programs will be outlined in future columns.

FALLIS NEWS

A huge crowd was on hand on June 7th for the antique auction sale held at the former Hayes Store in Fallis. It took three auctioneers 9 hours to dispose of the many and varied items for sale.

The store building and property were also sold by auction. Mr. Glen McMillan of Calmar, a nephew of Mrs. W. Hayes was the purchaser.

The garage and lots were also sold. This was a separate piece of property and was bought by Mr. Kohansky of Fallis.

The Fallis 4-H Club operated a lunch concession booth during the day under the direction of the leader, Mrs. D. Yates. They reported business was very good.

Mr. and Mrs. Bert Swift of Red Deer, their daughter and son-in-law Marion and Jim and 2 grandchildren visited briefly at the Ray Patrick home on their way to Jasper Park.

Mr. and Mrs. Swift formerly operated a general store in Fallis Village.

The younger couple are at home for a holiday from Colombia, South America, where they are engaged in the mission field. Marion, a registered nurse, said she was looking forward to returning to South America in July "to get away from the rush and hustle and bustle here". Her work for the past couple of years has been to teach jungle natives to read and write where formerly they had no written language.

Color Extensions Swing !!!
The great color revolution has taken over in extension telephones. Swingers of all ages have discovered that convenience can be colorful and life can be beautiful with time-saving, step-saving extension phones placed at strategic locations throughout the house. Sounds reasonable - especially as a color extension phone costs only 4c a day! Call the girl at AGT and ask about the swing to extension phones . . . you'll find her conversation colorful and convenient.
AGT ALBERTA GOVERNMENT TELEPHONES

EVANSBURG NEWS

The cloudy skies in evidence at the time I am writing this should bring some much needed moisture to the area.

The gymnasium of the high school was decorated in fine western style on June 12th when the students held a barn dance. This was the last social event put on by the students before knuckling down for final exams for the school year. Everyone reported having a good time.

Several of the village residents took the opportunity of going to Park Court for the Farmers' Day picnic, where they enjoyed barbequed food, a good visit with friends, and a dance in the evening.

Members of the 4-H clubs held their meeting at our place on Sunday evening, June 15th. The members came early to work on the float materials which they had assembled beforehand. At the meeting proper, they discussed the uniform they would wear for the beef achievement day on July 4th. They also planned their tours which will take place during the summer holidays.

A showmanship demonstration was given by John Ohnesty, using one of the calves which will be shown at the achievement day. Since the time had then gone by quite quickly and it was rather late, it was decided to have the beef quiz at the next meeting.

During the meeting, Miss Pat Wilson was presented with a gift in appreciation of all the help she has given to the club during her year as a teacher here.

The gymkhana club held a gymkhana on Sunday, June 15th. The weather was just right for the event and quite a few people came to watch the performers.

June 15th was also Father's Day and we hope that not all the fathers had to go through the experience Mr. Bruner did. The children and I gave Mr. Bruner a pair of geese for Father's Day. He is very fond of geese, live geese that is. On Sunday morning, the female half of the pair had disappeared and we thought it may have got lost until we heard that she had wandered downtown to the police barracks and had been "penned up". Mr. Bruner says that not too many fathers had to go 'bail' out their Father's Day present.

Mrs. Doris Feldberg was most pleasantly surprised when she received her mail the other day. One piece of mail consisted of a cheque for $25 which she had received for submitting an idea to the "Guess Again" TV program. Since Mrs. Feldberg had submitted several ideas and then missed the program on which the winning idea was used, she still doesn't know which idea was used. Anyway, congratulations on winning, Mrs. Feldberg.

We were also pleasantly surprised the other day, when a childhood friend of Mr. Bruner's, Mr. Charlie Summers of Vancouver, stopped in for a chat one afternoon. The two men had gone to elementary school together and had not seen one another for a number of years, so they had a pleasant visit. But why is it, when old friends get together, it is mostly all the pranks and forbidden things they did that they recall most vividly.

For places to go next weekend: The Happy Bible Hour Club evening of entertainment in the Entwistle Hall on June 27th; the jackpot gymkhana and parade here in Evansburg on June 28th; the Hollysprings community picnic on July 1st, and no doubt other forms of entertainment of which I am not aware.

PARKCOURT NEWS

Mr. and Mrs. John Paulduro spent several days in Lethbridge where they attended the wedding of their nephew.

Mrs. Otto Weist had her parents, Mr. and Mrs. Jenkins for a short visit.

The regular meeting of the Gay Gatherers took place on Wednesday night at the home of Mrs. Joan Young. Final plans for the picnic were made. A work party for the hall was also held the same night when the men cleaned and prepared the grounds. Mr. Harvey Marchand has been busy this past week painting the Park Court hall and giving it a new look.

Mr. and Mrs. Len Stiles of Smith paid a visit to the Kurt Fausak home.

The weatherman provided a beautiful day for the Farmer's Day picnic. A large crowd of people from near and far and some on their lunch hours came out to enjoy the meal which featured chicken, fish or hamburger with all the trimmings. Then races were held and games of horseshoes were played on the grounds. A bazaar and bingo took place inside the hall. Tessie Chernichan was the winner of the take a chance board for the barbeque set. In the evening a capacity crowd danced to the music of the Ohl Brothers orchestra.

Mr. and Mrs. Melvin Fair of North Surrey, B.C. paid a weekend visit to the Farrell home.

More than 7200 Air Cadets have been taught to fly since the Air Cadet League introduced pilot training for senior cadets in 1946.

Lutheran Ladies Hold Meeting

The regular monthly meeting of the Lutheran Church Ladies Aid was held Thursday, June 19th with 13 ladies and Pastor Mohr present.

It was noted there is a need for children's clothing for local welfare. Anyone having any may bring them to the church.

The Congregational Picnic was held Sunday, June 22nd at the Lions West Valley Park.

Rachel Anderson and Doreen Liske attended the retreat held at Elk Island Park this past weekend, June 20th - 21st, sponsored by the Lutheran Womens Missionary League. Approximately 30 ladies, pastors and speakers attended.

A good supply of cook books is on hand, anyone wishing to purchase any may phone 542-3768.

It was decided by the ladies to drop meetings in July and August and resume again in September.

Sekura Auctions Price Summary

With just medium-quality type cattle on offer, Wednesday, June 18th, prices were hard to establish.

Medium Feeder Steers sold from $32.00 to $38.00 per cwt with light ones higher.

Medium Heifers traded from $26.00 to $33.00 per cwt.

Medium Cows sold around the $20 per cwt. mark

Stock Cows and Calves sold to a high of $295.00.

Baby Calves were selling from $50.00 to $80.00 per head.

Hogs continue strong with weaners trading from $16.00 to $23.00 per head with one lot of large weaners from Dunster, B.C. going for $24.00 per head.

Bred gilts were up to $107.50 per head.

THE WESTERN REVIEW

Drayton Valley, Alberta

June 25th, 1969

Congratulations to Mr. and Mrs. A.F. Plewis (nee Dora Stewart) who were married in Edmonton on Monday, June 16th. We wish you many happy years together.

Congratulations to Sharon Ennis and Walter Brezina who are engaged to be married on July 26th.

A surprise party was held on Saturday evening for Dora and Johnny Plewis. A few of their oldest friends and neighbors were invited to Chivarie them. I think the biggest surprise was when Dora's sister and brother-in law, Onma and Harold Pawsye of Edmonton drove in. Also Joan and Carl Thornton of Sherwood Park and Wayne and Stewart Brewster of Thorsby with their families. Others there were Eileen and Rene Belva, Peggy and Steve Lysak, Joyce and Pat Town, Ruth and Dick Mohr, Ella and Pete Mulyk, Ken and Jean Stewart. Rene Belva presented the happy couple with a gift of money on behalf of their friends and neighbors. Both gave a short speech of thanks. Everyone enjoyed the evening very much.

Visitors at the Vern Benjamin home on the weekend were Vern's brother Harold and his family.

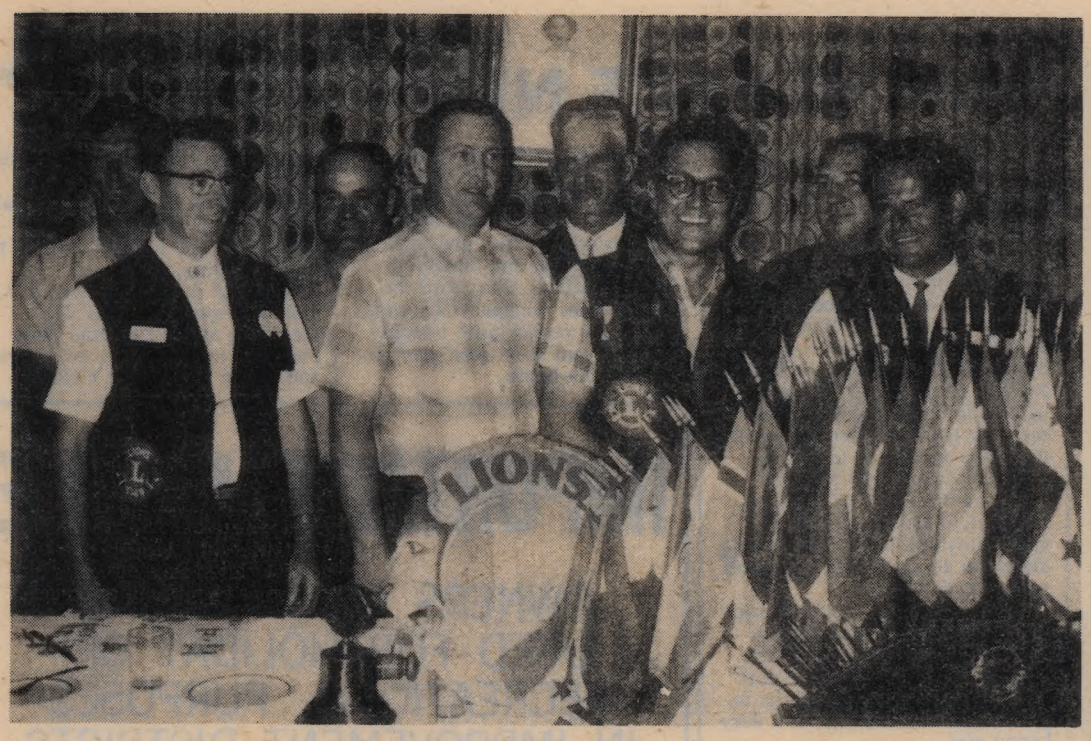
Get well wishes go to Tom Hallett this week. We are happy to hear he is home from hospital now. We wish you a speedy recovery Tom.

Several people gathered at the hall Sunday afternoon to get the hall and grounds ready for the annual picnic to be held this coming Sunday, June 29th. We hope everyone will come and have a good time.

Bonnie Kelly has a summer job, she will be looking after the Putnam children for the summer. Good luck Bonnie, I'm sure you will enjoy your summer.

The 4-H members are getting their calves all ready for achievement day on July 4th. With beef so high in the stores, this will be a chance to get a good steer to butcher and help the 4-H members too. Marilyn Rasmussen is trying for grand champion again and so are a lot of others, so there should be some good steers too
there.

Happy birthday this week to Kathy Blatkewicz June 29th, Cynthia Hallett and Mrs. Joe Blatkewicz June 30th and Fred Karach July 2nd.



New Lions Club Officers

New officers of the Drayton Valley Lions Club are shown here at last Tuesday's meeting in the Cardium Room. Front row, left to right, Neil White, Bert Telford, new President Ritchie Woods and O. Gawalko. Back row, left to right, A. Johnson, J. Streit, F. Schipper and D. Vandorp.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. Tom Kjorlien are planning a trip to their native Norway for July. Their son, Andrew, was unable to book a flight on the same plane and will follow two days later. It is the Kjorliens third trip to Norway since they came here to live almost 40 years ago.

Miss Wong of St. Anthony's staff, has resigned and will teach in Ponoka next year. It has been a pleasure to have you with us for the past two years Miss Wong.

The Mike Wilner family is leaving us in July to make their home near Edmonton. Valerie, who has been with us in the library for almost two years, will be attending Notre Dame University in Nelson next year. She will work towards her B.A. and major in Social Work.

Doug Lonstrup has been visiting his parents, Mr. and Mrs. Clifford Holmen recently. Doug has just been transfered to Grande Prairie as assistant manager of the Hudson's Bay store. We were also interested to learn that Layton Lonstrup is in his 10th year with the Army Medical Corp and at present is taking a specialized course in medicine at Camp Borden.

There was a house warming for the Lockharts last week at their home east of town. The Lockharts have bought an acreage which includes, what is known to us, as the Andrew Johnson house.

Brian Crerar was in town last week for a short time. Brian was with the town police for some time and new works in the same capacity for the county. He is stationed at Wabamun.

Congratulations to Mrs. Elaine Koebernick who obtained her Bachelor of Education degree from the University of Alberta at Spring Convocation.

Mr. and Mrs. David W. Glen were in town for a short time on Saturday visiting the Jack McLeans and the Vernon Campbells.

Mrs. Elchuk's parents, Mr. and Mrs. Roulston and brother David, will arive in Edmonton from England on June 26th. After a visit with the Elchuks in Drayton Valley the Roulstons hope to settle in Edmonton. Welcome to Canada, Mr. and Mrs. Roulston and David. We hope you will like Canada and find Canadians hospitable.

We have known Mrs. Truman Fry for many years and have always considered her a very truthful person but we can hardly bring ourselves to believe that the cutworms, so numerous this year, actually did giggle when they saw her putting out her cabbage plants and say "here comes the grub".

The Lief Stordalsvolls left on Friday evening by air for England where they will stay for a few days before going on for a visit with Mr. Stordalsvoll's relatives in Norway and Sweden.

Mr. and Mrs. Virgil Batke moved this week to their new home just west of town.

Mrs. Allen Smith, of Yellowknife, visited her mother for a short time last week on her way home from Hamilton, Ontario, where she has been one of two delegates representing Yellowknife at the Y.W.C.A. Convention. Mrs. Smith is the former Miss Edna Look.

Mrs. Elnor Nordahl, of Vancouver spent two weeks in Drayton Valley with her brother and his wife, Mr. and Mrs. Eric Jonzon. Mrs. Nordahl was formerly Miss Elizabeth Jonzon. She grew up in this district and many of her friends still live here.

CBC television and radio will bring Canadians live coverage of the Investiture of HRH Prince Charles as the Prince of Wales, direct from Caernarvon Castle, Wales on Tuesday, July 1st. CBC television will carry live color coverage beamed from Wales via communications satellite from 7 to approximately 11:30 a.m. EDT with an edited repeat of highlights from 10 to 11 p.m. CBC radio's live coverage will start at 9:45 a.m. EDT and the evening repeat will be from 10:10 to 10:30 p.m. The Investiture is the ceremonial act by which Her Majesty the Queen will confere the 20-year-old Heir Apparent the outward signs of his office as Prince of Wales. Prince Charles is the 21st in the line of Prince of Wales; Prince Edward later Edward 11 was created first Prince of Wales by his father Edward 1 in 1301.

MOON LAKE NEWS

Everyone is reminded of the Annual Moon Lake Picnic and Dance which will be held on Saturday, June 28th. There will be ball games, races, and the ladies club is having a sale of baked goods and home sewen articles. Also, the Moon Lake 4-H Beef Club is holding a Slave Sale in the afternoon (a good days work provided by each member and pee wee). The proceeds will be for their club being as the club is in it's first year and the funds are rather low. The pee-wee calves will also be shown and judged and ribbons awarded. This day should be very enjoyable for old and young alike, so do come and visit with your friends also.

Congratulations to Janice Lang on having her ticket drawn in a raffle put on by the Entwistle Library. Janice received a doll and an entire 18-piece outfit to go with it. We hear she is a very happy girl.

Mr. and Mrs. John Jacobs and their three children are the new residents on the farm they purchased from Mr. and Mrs. Fred Parfieniuk. Welcome to the community folks.

Mr. and Mrs. Gordon Hunsley and girls from Kitimat, B.C., enroute across Canada to Nova Scotia, stopped off at the latter's sister's home, Mrs. Otto Hansen and family, and brother Mr. George Moroz and family. They also spent some time at Mrs. Hunsley's parents, Mr. and Mrs. John Moroz of Evansburg.

Deb Hansen is a happy girl to have her three cousins, Elaine, Terry and Linda Hunsley from Kitimat, B.C., spending four weeks holidaying at her home.

Mr. and Mrs. William Cherrington have recently returned from a week's holiday. They travelled up the Yellowhead route to White Rock, Nanaimo, stopped off at their niece's home, Mrs. and Mrs. Autry Combs and family in Williams Lake and through Prince George. They also spent several days with their daughter, Mr. and Mrs. Alex Karvenon and family in Grande Prairie. They said the temperature reached 104 at times which was really quite uncomfortable and they were glad to arrive back home.

Get well wishes go to Raymond Kapteyn from all his many friends, who is in the Drayton Valley hospital for surgery.

Mr. Nick Urkevich injured his leg while at work and had to spend a week in the Drayton Valley Hospital. His leg is much better now and he will be able to return to work soon.

Many of the Millbank F.U.A. members spent Farmers' Day picnicing at the Pembina River Park and some took in the supper and dance at Drayton Valley.

BURTONSVILLE NEWS

We were sorry to hear Mrs. Doris MacDougall was taken to the Drayton Valley Hospital on Friday, however, we hear that she is feeling better. Her daughter and husband, Agnes and Horris Shepard of Edson visited her on Sunday, also her husband and son Ken visited her Sunday.

A good number turned out on clean-up day at the cemetery and the men also did some repair work on the front steps of the church.

Harvey and Francis Draves and their two daughters Esther and Milinda of Edmonton were visiting in the area and helped with the cleaning up.

Rev. J.D. Kennedy attended the N.A.I.T. convention at the Jubilee Auditorium on June 7th as his son Eldon was one of the graduates.

Allister and Eldon Kennedy visited their father at the parsonage on Fathers' Day.

Dick and Lily Wheadon and family of Whitecourt, visited Lily's parents on Fathers' Day.

Mr. and Mrs. Philip Mykituk and children visited at the Hommes for a short while on Sunday evening.

Mrs. Buford Walker and the children went for a two week visit to her parent's in Saskatchewan.

Rev. J.D. Kennedy left on Monday for a two or three day visit with his two daughters and families living at Lanaria.

The only exercise some people get is jumping to conclusions, running down friends, sidestepping responsibility, and pushing their luck.

HOLIDAY DEADLINES

Advertisers and others with material for insertion in next week's Western Review are asked to have it in our office as soon as possible. With stores closed Monday and a holiday Tuesday we will be hard-pressed to produce the paper. Deadlines, for this occasion only, will go by the board, and we will accept material as long as possible Monday until page forms are completed.

YOUR CO-OPERATION WOULD BE MUCH APPRECIATED

Fish and Game NEWS

The combined Fish & Game Associations' Brazeau Clean-up venture this past weekend was more successful than most of us had dared to hope. Not only were the clubs able to get the wood to burn -- contrary to the advice of many -- but thanks to some timely assistance given us by a Mannix frontloader in piling some of the wood and debris, we were able to pretty well clear out the drift wood and rubbish on the one shore altogether with only a few of the larger logs needing to be bulldozed together and rekindled.

The Edmonton, Edson, Innisfail (Dickson), and Drayton Valley Associations were represented in the gathering and Saturday evening was closed out by a weiner roast for the members and their families.

Thanks are due to the Lodgepole Royalite and B.A. Stations and to the Wildwood Texaco Bulk Station for assistance in supplying of inflammable materials and also to Mannix Ltd. for their assistance.

The majority of the work having been completed on the Saturday, considerable time was available on the Sunday for fishing and several good sized ones were caught.

Members are reminded of the monthly meeting to be held on Thursday of this week at the Goliad Office at 8:00 p.m. when a further report on the rifle range is to be received and plans made for a work party for this effort.

"How can you treat me like that after I gave you the best years of my life?" the wife asked.

"Good grief!" shouted her husband. "Those were your best?"

Interest Free Advances Announced by Ottawa

OTTAWA -- Prairie grain farmers will be eligible for full interest free cash advances in the new crop year even though outstanding advances have not been fully repaid, Industy, Trade and Commerce Minister Jean-Luc Pepin and Agriculture Minister H.A. (Bud) Olson said in a statement last week.

Speaking in the House of Commons, Mr. Pepin said that as an estimated $65-million will still be outstanding on July 31st and as deliveries will not be sufficient for many grain farmers to retire these advances, the Government has decided they will be eligible for the full advance when the new crop year opens August 1st.

Mr. Pepin said this decision means that producers will be entitled to advances of approximately $65-million more than would have been the case if advances in the 1969-70 crop year were reduced by the amount outstanding from the current crop year.

BUCK CREEK NEWS

The annual Community Picnic held at the hall last Sunday was well attended. The afternoon consisted of races, ball games, and a pot luck supper.

Mr. and Mrs. Lloyd Nelson, and Mrs. Nelson Sr. had a very enjoyable trip to Peace River last weekend. Grandma Nelson visited and spent the night with a friend whom she grew up with, Mrs. Stena Longtin. They found the Peace county very dry.

B.C.W.W. meeting was held at the home of Mrs. Joyce Stec last Thursday. The next meeting will be held at Mrs. Simpsons on July 17th.

The family of Mr. and Mrs. Foster Simpson gathered at the Drayton Valley Hospital to help Foster celebrate his 70th birthday. Glad to hear you are steadily improving Foster.

Mr. Henning Holgren is leaving on a trip to Sweden on June 28th. Have a nice trip Henning.

Everyone was pleased with the much needed rain we received last Wednesday night.

Next Community Club meeting will be held July 2nd at the hall.

Esso Agents Safety Campaign

One of the most extensive farm safety promotion campaigns ever undertaken in Canada will be carried on this summer and fall by Imperial Esso agents throughout five provinces -- British Columbia, Alberta, Saskatchewan, Manitoba and Ontario.

The safety campaign features special price offers on four basic items of safety equipment for use on the farm -- hard hats, safety lanterns, fire extinguishers, and industrial-size first aid kits -- all of which will be available from Esso agents in these provinces.

Imperial Oil officials pointed out that the campaign is expected to provide strong support for the Canada-wide observance of Farm Safety Week, July 20 - 26, which is sponsored by the Canada Safety Council. However, they noted that it would also extend the emphasis on farm safety far beyond the official week's observance, since the Esso campaign will start July 1st and continue throughout July, August and September.

A swap is a trade between two people who think they skinned each other.

AGRICULTURAL COMMITTEE NEWS
County of Parkland No. 31

WEED CONTROL IN UNDER-SEEDED CROPS WITH LEGUMES

Final records for forage seed assistance programs are completed. According to amount of forage seed supplied during 1969 more acres have been seeded down to forage than in previous years.

Many farmers are hesitant in using Chemicals for weed control in under-seeded cereal grains. Many weeds, which could be controlled are left to compete with the crop and forage seedlings for both moisture and plant nutriants.

There are Chemicals available which may be used to control weeds in under-seeded crops, if applied at the right time and at proper rates.

More information as to the above can be obtained from your Agricultural Fieldman at the County Office.

W. MOELHOFF,
Agricultural Fieldman.

Large Team Gathered for Hail Studies in Alberta

A large team of about 60 scientists, technicians and university students from many parts of Canada and the United States assembled recently in Alberta, in preparation for a concerted attack on the hail problem which causes an average of between $20 and $30 million damage to Alberta crops each summer.

Since 1956 the Alberta Hail Studies Project has been gathering data every summer in an effort to determine the causes and behaviour of hailstorms. This understanding is an essential first step towards the design of experiments, which it is hoped will eventually lead to effective methods of alleviating the hail menace.

Under project field co-ordinator Dr. Peter W. Summers, the Research Council of Alberta will carry out a short series of cloud seeding and tracer experiments in July, in conjunction with a seven-man team and a B-26 aircraft from the Desert Research Institute, Reno, Nevada. The picture of the complicated processes which generate hail inside a storm is still not complete, but enough is known to begin some worthwhile seeding tests.

The code name "Project Hailstop" has been given to the series of experiments which will be carried out over the next few years. These experiments will be operated in parallel with the basic research program which must continue, and which may well benefit from the results of the experiments.

The ultimate aims of these seeding tests are to determine whether cloud seeding techniques similar to those developed elsewhere will be effective in reducing hail damage in Alberta and to develop techniques most suitable for this purpose under Canadian conditions. In the first year, the tests will be aimed primarily at gaining experience and knowledge as to the best way to go about conducting tests of this type of seeding.

During July 1969 it is hoped to seed about ten suitable storms. The latest types of silver iodide pyrotechnic seeding flares will be used on the aircraft. These flares are capable of producing as many as one hundred trillion tiny freezing nuclei per second.

The seeding material will be injected into the cloud at one or two places suggested theoretically as being most likely to interfere with the natural evolution of the storm. The seeding will be based on the currently accepted concept for hail suppression, which is also the basis for experiments in such places as Russia, the USA and Kenya.

The idea is to increase the number of initial hail embryos competing for the available water supply by a factor of at least 100. The final size to which the hailstones can then grow is thus reduced to the point where they either melt before reaching the ground, or are small enough to cause little or no damage.

After a selected storm is seeded heavily for about 15 minutes, it will be observed very closely by all the various techniques developed by the Alberta Hail Studies Project over the years. Evidence will be sought for a consistent chain of events from changes in the visual external appearance of the cloud as observed by stereo cloud photography, to changes in the internal storm structure as determined by radar, through the changes in the hailfall and rainfall pattern at the ground as recorded by the 25,000 farmer voluntary observing network.

In addition precipitation falling from the storm will be sampled by a fleet of trucks directed by radio to intercept the storm path from the project control centre. These samples will then be analyzed in the Reno Research Institute laboratory by sophisticated techniques that can detect silver in concentrations as low as one part silver in one hundred billion parts of water.

The evaluation of the experiments will thus be emphasizing case studies of each seeded storm and comparing them to unseeded storms in an attempt to gain a physical understanding of what happens to a storm after treatment.

It must be emphasized, that in the first year these experiments' will not give an answer to the question, "Can hail be suppressed?" But these studies, together with the experience gained in operating a seeding program, will provide a basis for more extensive experiments in future years.

LODGEPOLE NEWS

A dental mechanic spent a few days at school giving Fluoride treatments to students in grades one to four. This program will be continued each year.

The Sumner house has been moved to Rocky Rapids for Mr. and Mrs. Solomon.

Mr. McGregor and Neil went to Lethbridge to visit son Barton of Medicine Hat. He was hospitalized with an appendectomy while on holidays.

Mr. and Mrs. A. Peter and girls of Robb were weekend visitors at Moisey's.

Mr. and Mrs. J. Millions of Edmonton, former operators of Royalite Service, renewed old acquaintances in town.

Guests have followed one another to Pederson lately from, South Edmonton, British Columbia, South Dakota, North Edmonton, North Dakota. Everyone reports a fine trip until the last 25 miles of humps, holes, dust or mud.

Grades 7, 8 and 9 students went by bus to Drayton Valley Friday for a swim outing. Final exams are nearly completed for another year. The high school exams are all written in the school gym where students are arranged in alternate seats with empty seats between them.

One editor comments as follows on graduation: "Remember this kids, no one or nobody owes you a thing -- not even the world. You need a chance to use what you have already got. You have twelve years of living, loving and learning which cost your parents and the taxpayers a lot of dough. It's now up to each of you grads to wean yourself from the family props. Seize every minute as though it was the last one, for it's damshur if you don't take the chance and accomplish for yourself, no one else will.

MAGNOLIA NEWS

Several local ladies and school girls attended the Fashion Show which was held in the Seba Beach Auditorium on Thursday, June 12th. Everyone enjoyed the show. Refreshments were served by the Seba Beach Grade seven home economics girls.

Mr. and Mrs. C. Christensen had the pleasure of a visit from Mr. and Mrs. Carl Christensen and their son, Martin, of Edmonton on the afternoon of Sunday, June 15th.

Betty McDougal tells me that her home is very quiet now, since Andy, Liz and her three grandchildren have moved into their new home in Evansburg. Betty has had the pleasure of the company of her grandchildren and their parents for several days.

Mr. William Anderson underwent major surgery on Tuesday, June 10th. The community wishes you a speedy recovery.

A second cemetery clean-up day was held on Tuesday, June 10th, when a number of people spent the afternoon and early evening mowing and trimming. As a result of the well-spent labor, the oemetery looks very neat and tidy. Mrs. R. Storms graciously invited the workers to her home for coffee and lunch.

Predators visited two farms this past week. Jeff and Vera Hampton lost a two-day old calf and Walter Campbell lost a half-grown lamb of which only the head and neck were taken. Possibly the predator wanted the lamb head for mounting.

The recent heavy frost ruined many gardens and did extensive damage to grain fields in the area. It also destroyed the caterpillars which were stripping the poplar trees of their leaves.

We are pleased to head that Mrs. N. R. Gylander is home from hospital.

Our local ball team lost to Sangudo by a score of four to three on Sunday, June 15th, at Sangudo.

Mr. and Mrs. L. Saretsky attended the Farmer's Union weiner roast in the Pembina Provincial Park, over the weekend. Mrs. Saretsky accompanied her daughter Irene to the fashion show in Seba on June 12th. Irene was a very lovely model in the show.

A group of youngsters and adults tidied the playgrounds on Saturday, June 15th. After the work was completed, the group was rewarded with a weiner roast. The grounds look much better.

Mr. and Mrs. Harold Brown of Edmonton visited relations in the district on Sunday, June 15th. This couple has just returned from a trip to Portland, Seattle, Vancouver and the Okanagan Valley. They feel that this was their most satisfying trip in several years.

Orris and Dorothy McWillis had several Sunday guests. They included Lonzo and Sharon McWillis and family, Vivian and family and Russel Turnbull.

Folks who attended the Farmer Day celebration in Stony Plain from here were Al and Alma Roth, Orris and Dorothy McWillis, and Len, Norma and Sherry Williams.

Two couples celebrated their wedding anniversaries on June 14th. Mr. and Mrs. Charles Anderson celebrated their 47th anniversary with a family gathering. Al Roth took his bride of 24 years, Alma, and family out to dinner in honor of their special day.

Weekend visitors with August and Mary Reich were Sharon Reich, Henry Onyschuk, Mrs. Reich St. (August's mother) and Rudolph and Alma Reich of Tomahawk.

There will be no July or August meeting for the Ladies Club as this is such a busy time of the year. The next meeting will be held at Joyce Manchester's on the first Wednesday on September. Donna Ekroth will be the co-hostess.

New members of the Drayton Valley Lions Club were inducted by Lion Don MacKenzie (L) at the last meeting of the club in the Cardium Room. New members are Dale Gaehring (2nd from left) and Ross Lyle (R), shown here with sponsor Neil White.

Women's Institute Plans Flower Show on August 23

The annual Flower Show sponsored each year by the Drayton Valley Womens' Institute will be held on Saturday, August 23rd in the Elks Hall.

Following are rules for exhibitors and the class list:

All exhibits must be the property of the exhibitor and must have been in his or her possession for at least two months previous to the time of showing. All exhibits must be in the hands of the directors in charge between 8:30 and 11:15 a.m. Judging will commence at 11:30.

All exhibits shall have allotted to them the tag provided. All entries should be correctly and distinctly named, where possible. In classes where a number is specified, as for instance, "twelve spikes of Sweet Peas", more or less than the number will disqualify. No exhibitor may enter more than one exhibit in a class. Exhibitors to supply plain glass jar, unless otherwise specified, bouquets to be in plain glass containers (containers not judged in these classes). In the case of arrangements, container will also be judged. The judges' decision shall be final. Prize ribbons will be awarded, also trophies in some classes.

The Flower Show will be open to the public from 2:30 to 4:30 p.m. Admission will be 50¢ (tea included) for adults. Children will be admitted free if accompanied by parents. Flowers not collected by the exhibitor by 4:30 p.m. will be donated to the local hospital.

Entry fees will be 10¢ per class.

CLASS LIST

1. Asters, three blooms, any variety, any color.
2. Begonias (tuberous), one bloom, any color, no buds.
3. Calendula, six blooms, any color.
4. Carnation, one bloom, any color, no buds.
5. Dahlia (decorative) 8 inch and over, one bloom, any color.
6. Dahlia (pom-pom), three, any color.
7. Dahlia (cactus), any color.
8. Gladiola, one spike, any color.
9. Gladiola, three spikes, three colors.
10. Marigold, giant, three blooms, any color.
11. Marigold, dwarf, six blooms, any color.
12. Nasturtiums, one variety, six blooms, any color.
13. Pansies, one variety, six blooms, any color (shallow container please).
14. Petunia, double, three blooms, any color.
15. Petunia, single ruffled, any color, three.
16. Roses, Perpetual, Teas, Hybrid Teas, other long stemmed varieties, one bloom (do not use rose bowl), no buds.
17. Roses, Bush, Floribundas, any other bush variety, one spike.
18. Stocks, double, three spikes, any color.
19. Lily, one bloom, any variety
20. Snapdragons, four spikes, any color.
21. Sweet Peas, twelve spikes, any color.
22. Sweet Pea, best individual spike.
23. Zinnias, giant, three blooms, any color.
24. Zinnias, dwarf, six blooms, any color.
25. House Plant, foliage variety.
26. House Plant, hanging variety, foliage.
27. House Plant, blooming variety.
28. House Plant, hanging, blooming variety.
29. Corsage, 16 years and under.
30. Corsage, adult.
31. Bouquet Garden Flowers (16 years and under).
32. Bouquet Wild Flowers (16 years and under.
33. Bouquet Garden Flowers, adult, 8 varieties.
34. Flower Arrangement, one variety of flower, foliage not counted.
35. Flower Arrangement, two varieties of flowers used, foliage not counted.
36. Flower Arrangement, four or more varieties used, foliage not counted.
37. NOVICE CLASS- Nasturtiums, Calendula, Snapdragons, Sweet Peas, Pansies, Marigold (giant), three each, any color. Separate containers.

NOTE: As set out in the rules above, when exhibiting a bouquet the container will not be judged. In the case of Flower Arrangments, the vase or container will be judged.

NOVICE CLASS: For persons entering flowers for the first time, or persons who have not previously won ribbons. A ribbon will be awarded to the best blooms of each kind. There are six kinds of flowers listed in this class, but an exhibitor may enter just one kind or more.

Red House 166 points.
Blue House 163 points.
Gold House 157 points.

It was a very successful track meet and all seemed to enjoy it. Many thanks to all the parents who helped in any way.

ATTENDS CONVENTION

Mr. and Mrs. Wendy Sekura and family were weekend visitors to Lethbridge where Mr. Sekura attended the annual convention of the Alberta Auctioneer's Association.

"Pardon me, sir" said the waiter, taking up the money, "but this includes nothing for the waiter."

"I didn't eat one, did I?" said the professor, glancing up from his book.

Lean, lively, loaded and a whole lot of fun

The Datsun 1000 is a slim, trim swinger that knows how to treat you in style. It pampers you with reclining bucket seats, carpets, tinted glass and white walls . . . all the things that would add up to a small fortune on other import and domestic cars. A few more? Back-up lights, twin horns, rubber bumper overriders and locking fuel tank. It even lights your cigarette. And costs less than $2000.

For muscle, it has a spunky 62 hp overhead valve engine that moves it faster than the law allows and squeezes up to 40 miles from a gallon of gas. Quick acceleration? You've got it, through the smoothest synchromesh 4-on-the-floor in the business.

What's the Datsun 1000 like to drive? From where you sit, you can see forever. In five minutes you'll feel right at home. Your Datsun 1000 turns on a dime. It stops straight and sure. And you can park two Datsun 1000s in the space a big car would take. There's a 2-door and a 4-door. Which is for you? The 4-door costs $100 more, if that will help.

Here's another thing to remember. When you buy a Datsun you can count on more than 160 Datsun dealers coast-to-coast in Canada or over 800 in North America. The service and parts availability is excellent. There's more than $1,000,000 in parts here to back you. Now all that's left is to test drive a Datsun 1000 and find out for yourself what fun-driving is all about!

DATSUN 1000

the more-for-your-money car from $1845

SUGGESTED RETAIL PRICE P.O.E. VANCOUVER, TORONTO, MONTREAL

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending June 21, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE&CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	5900	5000	900	1750	110
Last Week	5333	4493	840	2000	185
Same Week 1968	6988	5754	1234	2470	200

SUMMARY: Receipts were about average for the week consisting of approximately 70% replacement classes. The week's trade was generally slow on all classes of slaughter cattle and heavier feeder classes.

Slaughter Cattle -- Offerings of slaughter steers and heifers were mostly of choice and good quality. Slaughter steers opened the week at steady prices with sales to 32.50 but were under pressure and traded unevenly to 50 lower as the week advanced. In closing trade more settled market conditions resulted in a firmer price strucure on choice quality with a few sales to 32.60. Butcher heifers were under pressure early in the week with all grades selling a 1.00 lower by mid week, closing prices were steady with choice handyweights topping 29.00. The butcher cow trade was uneven due mostly to the variation in the quality of cows on offer. Good dry fed cows were bringing top prices with a few sales over 22.50 at mid-week. In closing trade they were selling at a practical top of 21.50. Grass fed cows were mostly 50 - 1.00 lower for the week. Canners and Cutters generally steady throughout. Bulls opened steady but were closing 50 to 1.00 lower with sales to 24.70. Slaughter calves were generally scarce selling $1-2 lower.

Replacements -- On account of an easier trend on slaughter cattle heavier short keep feeders were mostly $1.00 - 1.50 lower for the week as buyers were more selective as to quality. There was little change on the price of lighter weight stockers as they were in short supply. Stock calves steady with a few lighter weights over quotations.

Shipments -- Last week's shipments - East 300 for slaughter, 220 for feeding. West 265 for slaughter. To Southern Alberta, 610 for feeding.

(Closing Sales)

SLAUGHTER CATTLE

Choice steers 31.50 to 32.50, good 30 to 31, medium 28 to 29.50. Choice heifers 28.50 to 29, good 27.50 to 28.50, medium 26 to 27. Good cows 20 to 21.50, medium 19 to 20. Canners, cutters and shells 15 to 18.50. Good bulls 23 to 24.50.

REPLACEMENTS

Good stock and feeder steers (550 to 750 lbs.) 33 to 36.50 (750 lbs. and up) 31 to 33, common to medium 26 to 31. Good stock and feeder heifers 28 to 30, common to medium 24 to 28. Stock cows 18 to 24.

CALVES

Good to choice (350 lbs. and under) 38 to 42. (350 to 450 lbs) 30 to 36. (450 lbs. up) 27 to 30. Good stock steer calves 36 to 46, common to medium 28 to 35. Good stock heifer calves 32 to 36, common to medium 26 to 32.

HOGS

Butcher hogs unsold Monday, opened Tuesday at 34, were 50 lower Wednesday and Thursday at 33.50 base price. Good boars 13.00 per cwt. 860 feeder hogs sold Tuesday and Wednesday afternoon from 37 cwt. for 80 lb. feeders down to 26 for heavier weights. Weaners and extra light feeders sold by the head from 17.25 to 32.25 for 75 lb. feeders.

SHEEP & LAMBS

Good to choice butcher lambs scarce selling a dollar lower at 30.00 cwt. A few feeder lambs 23 cwt.

The largest cells ever produced on earth are extinct. They were the yolks of dinosaur eggs, some of which were probably as large as a man's head. The largest cell now living is the ostrich egg yolk nearly the size of a baseball.

THE WESTERN REVIEW

Drayton Valley, Alberta

June 25th, 1969

New Thermal Station Shaping Up

BIG 7800 DRAGLINE above is presently being taken apart piece by piece in England for shipment to its new home on the south shore of Lake Wabamun. It is due to arrive this August, destined for work in the Highvale Mine. The machine will be equipped with a 240-foot boom and a 30 cubic yard bucket to remove overburden from the coal to fuel the Sundance plant. Some idea of the dismantling job can be obtained from the size of its tub and roller circle, right, as men reduce it to manageable parts, each marked and numbered for later assembly.

School Committee Regular Meeting

Minutes of regular meeting of the School Committee of the County of Parkland No. 31, held in the County Office on Tuesday, June 10th. Present were Messrs. R.A. Bailey, R. Lent, L. Miller, G. Mann, I. Vowk, P. Bakker, W. Barth, D. Gylander, and T.W. Johnson, School Committee members; Superintendent of Schools, Mr. Henry Toews; Assistant Superintendent of Schools, Mr. W.G. Wilson and Secretary-Treasurer, O.W. Schuster.

Moved that the opportunity room in Stony Plain be closed for the term on June 12th, 1969 due to the serious illness of teacher Mrs. Ina Kenny. Carried.

PRINCIPALS APPOINTED

Moved that the recommendation of the Superintendent, Mr. Henry Toews, to employ Mr. Peter Slinn of Edmonton as Principal of the Stony Plain Junior High School be accepted. Carried.

Moved that the recommenation of the Superintendent, Mr. Henry Toews, to employ Mr. Allen F. Olson of Carvel as Principal of the Stony Plain Elementary School be accepted. Carried.

Moved that the application of Mr. W.J. Anderson of Cluny, Alberta for the position of Principal of the Seba Beach School be accepted.

Moved that Grades X and XI be dismissed from classes on June 18th, 1969 and not on June 19th, 1969 as previously stated. Carried.

Moved that due to heavy class enrolments caused by physical accommodation, Drayton Valley Elementary School be allowed to keep their two teacher aides and Winterburn School be allowed to keep it's one teacher aide. Carried.

Moved that the following teacher appointments be approved for the forthcoming school term: - Sister Catherine Kroetch, Edmonton; Nigel Oakes, England; Joyce Ashman, England; J.B. Gardner, England; W.N. Stark, England; Clara T. MacKenzie, Saskatoon; Shirley Roessier, Edmonton. Carried.

Moved that the following teacher resignations be accepted: Mrs. Alberta Harris, Spruce Grove; Mrs. Mary E. Peck, Entwistle; Miss Esther Jesperson, Stony Plain; Mrs. Marion A. Medd, Tomahawk; Mrs. Merle Lambe, Spruce Grove. Carried.

LONG SERVICE TEACHER RECOGNITION

Moved that a suitable plaque or shield be designed and presented to: - (a) Teachers leaving the County after a minimum of 15 years service. (b) Principals leaving the County after a minimum of 10 years service. Carried.

Moved that temporary accommodation be found for two classes in Drayton Valley. Carried.

Moved that the Building Committee be delegated to investigate possible building sites for school building expansion in the Towns of Stony Plain and Drayton Valley. Carried.

MAINTENANCE SUPERVISOR'S REPORT

Mr. E.W. Hillyer, Maintenance Supervisor, presented the following report to the School Committee: -

1. I would like to recommend a Salary Increase for the caretakers. I propose an increase of $30 a month for the head caretakers and $10 a month for their helpers. This will amount to an over-all increase of approximately 10% costing the County about $6,800 a year - $3,400 for the remainder of this year.
2. I would like to bring up the need again for a mechanically minded man with some electrical background. As I can forsee, that I will not have the time to carry out all necessary routines that should be done during the summer on the heating systems, and wiring changes that are needed.
3. The Custodial Training School being held in the summer would be a nice course for all caretakers to take. However, I feel it would present too many problems for us to undertake sending out staff for the course. The course is starting the 7th of July and ending the 11th of July, 6 hours per day for 5 days. Registration fee is $20 per person.
4. Painted applications.
5. When trucks are available, a circuit run of all schools will be set up on a regular basis.
6. I would recommend that we

(Cont. on Page 18)

WABAMUN NEWS

Miss Judy Appel is back from Jamaica and is visiting with her grandmother Mrs. Appel of Stony Plain, she has been renewing old acquaintances in and around Wabamun and Darwell.

Sorry to hear that Mr. H. Laleune lost his father recently. The sympathy of friends in the district go out to Mr. and Mrs. Laleune at this time.

The grades 1, 2, and 3 were guests on the C.F.R.N. Noon Show on June 17th. They then visited the Coronation Planetarium and they came home quite pleased with their day out.

Miss Edna Lawton of Latner, B.C. is visiting with Mr. and Mrs. D.M. Roberts for a while.

Sorry to hear that Paul Dumont met with an accident and was in the hospital. We hope you will soon be well again.

Mrs. E.H. Woollard, Mrs. R.T. Ward and Mrs. D.M. Roberts attended the W.I. meeting in Sangudo on Tuesday afternoon. It was an afternoon well spent as Mrs. Holt gave a wonderful talk on the conference which was held in Lister Hall in Edmonton.

Congratulations to Mr. and Mrs. R. Chomas on the birth of a son.

Sorry to hear that Mr. G. Lindsay is in the hospital, but we hope you will soon be home again, Mr. Lindsay and feeling much better.

Drayton Valley Separate School District

TEACHERS WANTED

Due to some expansion, several teachers will be needed.

1968-1969 SALARY SCHEDULE

Regular Meeting School Committee

(Cont. from Page 17)

have the outer area of the septic field at Tomahawk trenched along the north and west sides. This would enable surface water to run into the ditch on the road, rather than across the field. I feel this would prevent the field from becoming saturated and thus able to handle the effluent from the septic tank.
7. High School at Seba requires two washrooms to be refinished with ceramic tile on floors and walls tiled to at least a 6 foot level.
8. Water Report on Seba Beach Elementary School.
9. Working agreement with local car wash in Stony Plain, in that they would like us to pump out the two 4x4x2 feet sumps on regular basis, in turn they would wash the Maintenance Department Vehicles on a twice monthly basis.
11. Holiday for E.W. Hillyer.
12. Quotes on Portable Classrooms from Atco and Safeway Mobile Homes,
13. I would like to be informed by the building committee as soon as possible as to the partitioning of Gyms for classrooms.

SALARY INCREASES FOR CARETAKERS

Moved that the recommendation of the Maintenance Supervisor to increase the salaries of caretakers by $30 per month for head caretakers and $10 per month for helpers be accepted, effective July 1st, 1969. Carried.

Moved that a mechanical and electrical handyman be employed on a two month trial basis. Carried.

Moved that the recommendation of the Maintenance Supervisor to not send any staff to the Custodial Training School be accepted. Carried.

Moved that Mr. Hans Sinning of Spruce Grove be employed as painter from among four applicants. Carried.

Moved to accept the recommendation of the Maintenance Supervisor to trench along the north and west sides of the Tomahawk septic field to enable surface water to drain into the ditch on the road rather than across the field. Carried.

WATER REPORT ON SEBA BEACH ELEMENTARY SCHOOL

Report received from the Provincial Laboratory that the water supply at the Seba Beach Elementary School is unfit for human consumption and report from the Stony Plain - Lac Ste. Anne Health Unit, Medical Health Officer that the water is not harmful to humans.

Moved that a request be made for uniformity in the reports of the water analysis and that the comments of the Medical Officer be contained on the Provincial Laboratry report. Carried.

Moved that an arragement be arranged whereby the County pump out the sumps in the local car wash in exchange for washing of the maintenance department vehicles. Carried.

Moved that the Building Committee investigate the possible acquisition of two two-room portable classroom complexes for use on September 1st, 1969. Carried.

Moved that the Maintenance Supervisor investigate and submit a report regarding a request made for a special grant for Junior High School Science Equipment in Drayton Valley and improvement to room 4 in the West Wing of the Junior High School in Drayton Valley so that it may be used for science art room. Carried.

Moved that a recommenation be invited for upgrading of science equipment in Junior High Schools. Carried.

Moved that teachers and bus operators be paid salaries for June and July in June as in the past. Carried.

Moved that a scraper unit from the construction crew be delegated to work one day on the Seba Beach school grounds for levelling. Carried.

Moved that vehicle plug-ins be installed at the Duffield School on the regular electrical circuit. Carried.

Written report by the Bus Committee was read to the Committee recommending that in the case of Mr. C.J. Gusek, the bus driver be instructed to travel the necessary ½ mile to pick up the Gusek children until such time when the bus route can be gravelled. Carried.

COMMITTEE TO REVIEW POLICY

Moved that the Bus Committee review policy concerning classes of drivers licenses held by school bus drivers. Carried.

Report submitted by the Principal of the Memorial Composite High School of a break-in at the school on May 23rd, 1969.

Moved that the sum of $20 be paid as a grant to the Duffield, Keephills, Wabamun A.T.A. Sub-Local towards track meet expenses. Carried.

Moved that the Architects, Messrs. Aberdeen, Groves, Hodgson be authorizes to call for tenders for construction of the proposed Elementary and Junior High School in Spruce Grove. Carried.

Letter dated June 6th, 1969 from Mr. F.P. Flanagan was read to the Committee offering to sell his residence to the County for use as a teacherage. It was moved and carried that the offer be not considered by the committee.

Mr. M. Lewchuk submitted documents of proof of experience for purposes of establishing a correct salary placement.

Tomahawk Club Visits Mountains

CHERRYL-ANN DITCHUK
Club Reporter

The Tomahawk 4-H Beef Club motored to Miette and Jasper on Farmers' Day weekend. Everyone enjoyed themselves immensly. The highlights were swimming in the pool at Miette and going up in the sky tram at Jasper. On the way home on Sunday, they stopped in at Edson and went swimming again.

Special thanks to Mr. Ed Redlinger for the time he donated to drive Mr. Walter Ditchuk's bus. Also the club would like to thank the club leader, Mr. Dave Case for the wonderful job he did and Mrs. Scheideman for her help.

Next and last meeting is on June 24th at Connie Ranch.

ENTWISTLE NEWS

Ball games are in the news as games are being played several times a week. On Friday, June 13th, the ladies played Drayton Valley in Entwistle and won their game. The small boys played on June 17th and lost to Tomahawk 13-7. Many of the parents and residents were out to see them play and were very pleased to see the interest that these children have. Keep up the good work kids.

Besides the Barbeque that the Entwistle Elks are putting on July 5th, there will also be a White Elephant Sale in the Elks Hall on July 12th. Anyone having anything to get rid of contact Fred Cherrington.

The O.O.R.P. held it's last meeting of the season on June 17th, with first the decorating of the graves then at the meeting Mrs. Ann Greaves of Edmonton was present to receive her 15 year pin. At this meeting Mrs. Jackie Sanderson was presented with a cup and saucer as they will be moving to Taber. Mrs. Maureen Smith who is also moving to Edmonton was given a cup and saucer. The evening was concluded with a lovely lunch.

On June 17th, Mrs. Pearl Dorey brought Jack Scandrett and his mother out to Entwistle to see the Oliver family and also to see Mrs. Galpin Sr. and Jean and Ed. This was a real surprise as Jack and his mother were in Edmonton to attend the wedding of Cydna Dorey who was married on June 14th. Jack performed the ceremony.

FRANK NEIL SAYS

NO MATTER WHAT you want to save for — or for how long, we can help you. Because we've got so many different ways to save that one of them has to be just right for you. We can even help you with the toughest part of saving — getting started. Once you're on your way, the rest is really quite easy. It's a nice feeling to watch your money — and interest — pile up.

So if you could use some help when it comes to saving, come in and see me. We've a few ideas up our sleeve to make saving almost painless.

We like to look after you at the ROYAL BANK

Drayton Valley — Phone 542-3371

How Does Your Garden Grow?

By Green Thumbs

In our area there are many people who live in mobile homes on account of the liklihood of having to move where ever their employment takes them. They are usually reluctant to plant gardens because they are not sure whether they will be here long enough to use their vegetables etc. It is possible though to have a window box or two, and grow a few flowers. I have noticed some very attractive ones popping up around town lately, on permanent homes as well as mobile homes.

The most important thing is to remember that window boxes are usually situated so close to the home that often they do not get any rain at all, so watering is of most importance. The construction can either be of wood or metal, at least ten inches deep to allow for proper root development, or it can be made deep enough to hold flower pots.

Many flowers can be planted just as they are in their individual pots, such as geranium, begonia, fushia, etc., make sure that they are in earth deep enough to just cover the rim of the pot and well packed in between the pots, most of these type plans can be easily taken up in the fall and wintered indoors, often producing lovely blooms until Christmas.

Geraniums are an old 'stand-by and will grow facing almost any direction as they can withstand a lot of sun as well as shade, and can endure quite long periods of low moisture. Dresina is a good foliage plant to add background, and trailing lobelia is very pleasing to the eye when cascading over the edge of the box.

There are many kinds of trailing type plants that are available at planting time, some that are just foliage plants and others with flowers. Almost any kind of flower will exist in window boxes, but be sure to choose varieties that will not grow too tall, as the wind will blow them around and they will become quite ragged and untidy.

Patios can be brought to life with the addition of a few tubs of well chosen plants, as well as hanging baskets for the porch or sun room. So even if you do not have a regular garden you can still have a few flowers. If you really have a yen for home grown tomatoes in boxes or tubs, fresh parsley and herbs can also be grown this way too.

DRAYTON VALLEY F.U.A. LOCAL No. 519

NOTICE OF GENERAL MEETING

All members are urged to attend the meeting in the Drayton Valley Council Chambers on

THURSDAY, JUNE 26th

at 8:00 p.m.

Major item on agenda will be organization of

Blue Cross Group Insurance

and a good attendance is requested to deal with this importance matter. Sixty percent of local membership must join the group to take advantage of the savings offered.

CHILDREN ON VACATION

THE HOMEMAKER

Marlene Jubenvill

District Home Economist

10426-81 Ave.
Edmonton,
Alberta.

Consumer Reports made a very good point in their March issue, when they said that many women are spending money for features they may never use.

The best sellers in manybrand lines are in the $300 - $400 category. A machine for routine construction and mending and with a zigzag for finishing seams can run $100 - $150, even in the nationally advertised lines.

You'd have to do a good deal of sewing to justify a $300 machine and yet, in every sewing course I conduct, half the women have expensive machines. Most sew half a dozen garments a year.

The thing I've noticed is that the more elaborate machines are mechanically more involved and you have to study the manual and practise to get the most from your machine.

Do keep your instruction books and study them. They're invaluable since every machine has its differences.

I would be very careful about buying an uncommon brand that you may have difficulty getting service and parts for. If you buy second-hand or at an auction sale be sure the machine is complete. This includes the instruction book unless you're certain you can get missing books, parts, and attachments elsewhere.

My round of sewing courses is pretty well finished except for a series for the inmates of the Fort Saskatchewan jail.

As far as I know, I'll be moving into head office in June. I know I'm going to miss all the people I've met and the friends I've made. Certainly there's nothing that can match extension work for variety. And it has its amusing side too. Last summer an inexperienced homemaker (I hope) called and asked how to make sauerkraut without using cabbage.

Be sure to give me a ring or look me up (our office is in the Agricultural Building on 107 Street and 97 Avenue) when you are in town.

In a crowded theatre, a young man was just about to sit down in one of a pair of empty seats when he was abruptly pushed off balance by a woman trailing behind him with her husband. Before he could recover, the couple had plumped into the seats. "Sorry, my friend," said the husband, "we beat you!"

"That's quite all right," replied the young man. "I hope you and your mother enjoy the show."

What's going on in that house on the hill?
A LETHBRIDGE QUALITY PRODUCT
After the famous formula of the
House of Lethbridge
Old Style
Pilsner
BEER
BREWED AND BOTTLED BY
SICKS' LETHBRIDGE BREWERY LTD., LETHBRIDGE, ALBERTA

Our Pilsner label raises many exciting questions, and while we can't answer all of them, we *can* tell you about that house on the hill. It's the House of Lethbridge where we still brew Pilsner Beer slowly and naturally. Is the good old-fashioned way still the best way? No question about it!

House of Lethbridge

AFTER THE FAMOUS FORMULA OF **THE HOUSE OF LETHBRIDGE**

WARBURG NEWS

The regular meeting of the St. Charles C.W.L. was held Wednesday, June 4th at the home of Mrs. W. Lemermeyer with eight members present.

Convenors reports were given. Spiritual: Mrs. Rose gave a talk on the life of St. Charles; Educational: Clara Gidosh reported that Jeanette Lickoch has been chosen as the delegate to attend the United Nations Seminar at Banff this summer.

It was decided that the C.W.L. would give $400 towards the new organ.

The C.W.L. donated $10 to the Little League Baseball Park.

Discussion for the evening concerned the spiritual portion of the new policy hand book.

The September meeting will be held at the home of Mrs. Rose.

Elsie Beierbach won $100 playing the Space Journey contest through her shopping at the Calmar I.G.A.

Mr. and Mrs. Wes Moore celebrated their 46th wedding anniversary on June 2nd. Mr. and Mrs. Floyd Aleshire and family of Randall, Minnesota, Mrs. Moore's brother, spent a week in the district at that time visiting with Mr. and Mrs. Moore and other relatives.

Mr. and Mrs. Jonas Goldthorpe and Mr. and Mrs. Orville Johnson of Lindale left last Thursday for a trip north to the Peace River country and into the interior of B.C. They expect to be gone three weeks.

The grade 10 and 11 students and some non-academic grade twelves completed their school year with final exams Monday through Wednesday, June 16th to June 18th.

Mrs. Mary Ore, with the assistance of her daughter, Linda Pizzey, and Marion Ellis, gave a shower for Marion Klatt in her home Saturday evening, June 14. There were approximately 25 ladies and girls present. Games and quizes were played and was followed by a wonderful lunch and coffee.

Miss Marion Klatt will be married to Mr. Alfred Molzan of Stump Lake on Saturday, June 28th.

The Warburg Midgets played against the Strawberry team on Friday, June 13th at the Strawberry Farmer's Day Picnic, coming home victorious with a score of 12-7.

Mr. Wes Moore is presently in the Breton Hospital with bronchitis.

Clint Tobiasson is still in the Glenrose Hospital. He will return to the Royal Alec for a few days for a skin graft, after which he will return to the Glenrose.

Clint would like to express appreciation to all those who sent letters and cards.

Mr. and Mrs. John Beierbach spent the weekend at Red Deer visiting their two daughters, Mrs. Alice Campbell and Mrs. Vera Sawchuk and their families.

Mr. and Mrs. E. Wold went to Compeer, a town southeast of Altario near the Saskatchewan border, last weekend, they accompanied their son Victor and his fiance Leona Vogel to visit her parents, Mr. and Mrs. Leo Vogel.

Lucy Lutczysyn and Virginia Lehay spent the early part of the weekend shopping and visiting Miss Maxine Lutczysyn and Mr. and Mrs. Joe Duza and family. Virginia came out Friday night with her cousin, Mr. Lloyd Hintz, who spent the evening with Mrs. Mary Lehay and family.

Mr. Berle Ladd of Victoria, B.C. visited Mr. and Mrs. George Ladd on Sunday. He is planning to spend a few weeks in Alberta visiting friends and relatives.

Mrs. Norma Feldman and her two children of Edmonton spent Sunday evening with Mr. and Mrs. G.E. Ladd.

Mr. Ernie Hudson of Edmonton, son of Mr. and Mrs. Henry Hudson, and his wife, were visiting over the weekend.

Mrs. Reeva Gordesh of Round Hill and children Ronette and Robbie are spending the week with Mr. and Mrs. Martin Hoffman, while Mrs. Gordesh takes over the duties as Medical Centre receptionist in Breton this week.

Phyllis McAllister is now home from the University Hospital after a week long stay.

Brian McAmmond is home after ten days in the Breton Hospital.

Mrs. Darlene Kouts of Edmonton spent the weekend visiting Mr. and Mrs. G.E. Ladd and Mr. and Mrs. Lionel Huland.

Mrs. Jean Gaunt, daughter Linda and sons Wayne and Dean, spend Father's Day at Devon where Mr. Earl Gaunt is working.

Mrs. Charles Ruzicka of Viking is spending a week with her son Mr. Jack Rose, his wife and family. She came out Sunday accompanied by her daughter, Sister Mary Grace of St. John's Convent in Edmonton and Sister Frances de Sale, Sister Selina, Sister Brenadette, and Sister Vincentia also of St. John's Convent.

Michael Marion and Jo-Anne Rose would like to express their appreciation to those of Warburg who supported them in the Miles for Millions Walk in Edmonton on May 4th. The three handed in a total of $261.

Ron Lehay would also liked to thank those who sponsored him for his total of $50.

"Congratulations dear, but what is a triple play?"

200 New Books Added to Entwistle Library Recently

Since our library was opened in May 1968, we now have 223 members, 1167 books have been bought and collected by donators. Last summer, and to date 160 books have been loaned from the Extension Library in Edmonton.

During the past two weeks 200 books were placed on the shelves. There are two special books that have been asked for that we now have, they are: Kidnapped by Robert Louis Stevenson and Peace River County by a Canadian author Ralph Allen.

Those who donated books that have been processed recently were: Lacombe Library, Drayton Valley Library, Entwistle School, Len Corkery, Mrs. Curd, Mr. Wiltshire and some in memory of the late Mrs. Nina Riddell. The Library Board wishes to thank all who have donated at any time and also to those organizations who supported the library by their donations of money.

The librarians for July and August and names of some of the popular books that we have will be in next week's news.

Recreation Ramblings

By SYD MOORE

On June 13th we held our Open House. It gave people an opportunity to see our operation and meet with the new summer staff and discuss the various programs. Of course the Open House sign is always out to interested people in the Parkland and surrounding area.

The summer programs are rapidly closing in on us and with it comes another first for our area in the form of Little Canadian Baseball, Dominion Championships.

This year Parkland has eleven teams entered with the Alberta Baseball Association. Parkland has two leagues playing Little Canadian ball and each league will pick an All-Star team to represent our area in the Championships. These two clubs will have players from Winterburn, Spruce Grove, Onoway, the Paul Band Reserve, Wabamun, Fallis, Entwistle, Moon Lake, Tomahawk, Seba Beach and Stony Plain, so you can see Parkland communities will be well represented. Next year it is hoped that we will expand to take in more communities and also enter Bantam Baseball teams into Provincial and Dominion playoffs; so that everyone will know that Parkland came to play.

A new ball league has been formed in the west end of Parkland County and is called the Parkland Baseball Association. This league has been operating since May 15th when we had our first organization meeting. There are five leagues and six communities involved and it looks like it's going to be a success in its first year. Of course like all ball leagues a few problems will arise but I feel that the communities will come up with the answers. The league standings as of June 15th are as follows

6-9 yr. old Mixed League

	G.P.	L	W	Pts.
Tomahawk	2	0	2	4
Seba #2	2	1	1	2
Seba #1	2	2	0	0

Little Canadian Baseball

Tomahawk	4	4	0	8
Seba Beach	3	2	1	4
Entwistle	4	2	2	4
Moon Lake	5	0	5	0

Bantam Baseball

Moon Lake	3	3	0	6
Drayton Valley	1	1	0	2
Tomahawk	2	1	1	2
Entwistle	3	1	2	2
Seba Beach	3	0	3	0

Ladies Fastball

Entwistle	3	3	0	6
Seba Beach	3	2	1	4
Drayton V.	3	1	2	2
Tomahawk	3	1	2	2

The Men's Fastball league has just started and no statistics are available. Seba Beach has two teams entered with one each from Sundance and Tomahawk making up the balance of the league.

Note found under a windshield wiper: "I have just smashed into your car. The people who saw the accident are watching me. They think I am writing down my name and address. They are wrong."

ROCKY RAPIDS

Congratulations to Mr. and Mrs. Carlton Mattoon (nee Betty Onyschuk) whose marriage took place June 14th. Out of town relatives attending the wedding were: Mr. Gilbertson, Grandfather, Calgary; Mrs. Mattoon, grandmother, Courtney, B.C.; Allen Mattoon, brother, Swift, Current; Mr. and Mrs. Grant Jensen, Sedro - Woally, Washington; Mrs. Florence Bilton, Vancouver; Mr. and Mrs. Lorne Gilbertson, Calgary; Mr. and Mrs. Bill Johnson, Edmonton.

Darlene Townsend of Penticton spent a few days visiting with her family, Mr. and Mrs. W. Townsend.

As the holiday season rolls around I want to wish everyone a happy and a safe vacation. Let me know of places visited and company you have by phoning 542-2190.

A SHOVEL FULL OF TROUBLE!

Hold it right there! One more sweep with that shovel and you could cut clean through an AGT telephone cable! It's easier than you think. You dig post holes or a trench in your back yard, and before you know it the damage is done, you've severed a buried cable . . . severed vital communications to businesses; to hospitals, police and other emergency services.

Right now, before you take one more sweep with the shovel, dial "0" (Zero) and ask for Zenith 07128. An AGT Technician will mark off the exact location of any buried cables and save you and others a great deal of trouble, expense, even involvement in law suits!

Remember, in town or country — a call in time can save the line. AGT's Free Cable Location Service — Dial '0' and ask for Zenith 07128. Toll free of course.

Watch Out - Poison Ivy Season

OTTAWA -- Keep your eyes open when you go looking for pretty weeds this summer. The one with the glossy, green leaves and the tiny yellow-green or white fruit clusters dangling from the center stem could be poison ivy.

An armful of these lovely "flowers" and you'll have a red face that itches. Tiny, watery blisters may develop and add to your pain -- sometimes they burst and become irritating, oozing sores.

You may react within a few hours or not for several days. Poison ivy can make you quite ill.

Because this venomous plant grows in all provinces but Newfoundland, it's wise to know what it looks like. It's tricky: generally it grows as a dwarf, shrubby plant from one to three feet high but sometimes it is a creeping vine, and climbs a tree or pole to a considerable height.

Canada Department of Agriculture authorities, in a publication entitled "Poison Ivy", say it is the only Canadian plant having a three-part leaf and a hard fruit that ranges from greenish-yellow in summer to white at the end of the season and then gradually darkens. And although the leaflets may vary in size, color, texture and outling, they are always in threes. This is its only consistent feature.

Poison ivy rash is caused when you crush, bruise or break any part of the plant and release a toxic substance that resembles corn syrup in consistency and color. An oily substance, it does not evaporate and will stay on gloves, tools, shoes, and picnic outfits for months.

If you have unwittingly taken a "bouquet" of poison ivy home and are suffering the consequences, calamine lotion will ease the itch. Epson salts and baking soda, two and three tablespoons respectively in one pint of boiled water, will also help. Don't use the baking soda solution in open, oozing sores.

If you just suspect poison ivy, wash immediately using laundry soap and warm water. You doctor is best qualified to diagnose your rash and prescribe a cure.

Poison ivy may be eradicated with chemical weed killers or by digging or cultivating where feasible. All spraying equipment and hand implements such as digging forks should be thoroughly cleaned after use.
